

NOTE: INSTALL BARGRILLE INTO PANEL FIRST, THEN INSTALL PANEL

BARGRILLE RETAINER
 (viewed as already installed)

PANEL
 (viewed from inside;
 panel type may
 not be same as shown)

- INSTRUCTIONS:**
- 1) Install bargrille into panel.
 - 2) Slide bargrille retainers onto back of bargrille, location is directly on top of bargrille 'bridges' at each end.
 - 3) Fasten bargrille retainers by putting supplied screws through holes on bargrille retainers and screwing into bridges on bargrille.
 - 4) Use only 2 retainers per enclosure, 1 at each end of bargrille where bargrille 'bridges' are located.
